**Subject:** Sequence search request

Application No. 09/823,119

Please performed a sequence frame search (i.e. reverse translation) using SEQ ID NO: 1 as the query, commercial and pending nucleic acid databases.

Please search SEQ ID NO: 3 in all pending and commercial nucleic acid databases.

NPL search of nucleic acid encoding NFIF-14b.

Thanks,

Janet L. Epps-Ford, Ph.D.
